WHO WE ARE

Chakraborty Overseas is a Kolkata-based merchant exporter of mild steel, stainless steel and high tension fasteners. We source from verified Indian manufacturing partners, check the goods against your specification, and ship with complete export documentation.

We are an exporter, not a manufacturer. We do not operate forging, plating or testing facilities of our own — the manufacturing certifications listed on this sheet belong to our sourcing partners and are declared as supplier certifications.

BUYING FROM US

RESPONSE TIME

Every enquiry answered within one working day.

QUOTING CURRENCY

Quotations issued in USD, EUR, GBP or INR — tell us which you prefer.

PAYMENT TERMS

Advance, LC at sight, and negotiated terms for repeat buyers.

TO GET A QUOTE

Send size, grade, standard, finish, quantity and destination port. If a detail is missing we will ask rather than assume.

CERTIFICATIONS HELD BY OUR MANUFACTURING PARTNERS

- **ISO 9001 quality management** — held by the units we source from; certificates supplied with the consignment on request.
- **Mill test certificates** — material and mechanical test reports issued by the manufacturer for the batch supplied, traceable to heat number.
- **Third-party inspection** — pre-shipment inspection by an agency of the buyer's choosing, arranged at the manufacturer's premises.

EXPORT TERMS

INCOTERMS	FOB · CFR · CIF · FCA · CPT · DAP · CIP · EXW and DDP on request
SEA PORTS	Kolkata · Haldia · Nhava Sheva (JNPT) · Mundra · Chennai · Tuticorin · Visakhapatnam · Cochin · Kandla · Krishnapatnam
AIRPORTS	Kolkata · Chennai · Mumbai · Delhi
DOCUMENTS	Commercial invoice · Packing list · Certificate of origin · Mill test certificates · Bill of lading or airway bill
PACKING	Cartons on pallets or seaworthy cases, marked to your purchase order, with VCI or oiling where the finish calls for it.

ALSO AVAILABLE

The complete range catalogue — every line with grades, standards, sizes and finishes — downloads from **chakrabortyoverseas.com/catalogue**. Dimensional tables, weights per thousand and packing details are issued per item with the quotation.
